

CITY OF LA JOYA
REQUEST FOR STATEMENTS OF QUALIFICATIONS
FINANCIAL ADVISOR
Project No.: 72022
Bid No.: 2022-300-4405-02
SOQ – Wastewater Treatment Plant/System Expansion and Upgrade

Addendum 2
October 22, 2021

1. Respondent Request

A respondent requested an interpretation regarding the following items in the SOQ:

1. You mentioned on our phone call of a couple minutes ago that the City would accept proposals by email. Would you mind confirming by responding to this email?
2. ... Would you please direct us to where we can find Attachment F - Complete DBE Participation Program (WRD 216)? ...

2. City Interpretation

The Finance Department makes the following interpretation:

1. In order to be deemed responsive, submit SOQ as stipulated in the RFQ. Although electronic submissions are acceptable as per the RFQ, all submittal requirements (ie, including “hard copies”) must be satisfied.
2. Section 7 of the RFQ requires that the DBE Participation Program ([TWDB 216](#))¹ form be completed and submitted in order for the respondent’s SOQ be considered responsive. The form is available at:
<https://www.twdb.texas.gov/dbe/>

3. Distribution

This addendum is: 1) e-mailed to all respondents receiving the original SOQ; 2) posted on the City’s website (www.cityoflajoya.com); and 3) available at La Joya City Hall.

¹ NB: The RFQ incorrectly referenced “DBE Participation Program (WRD 216)” rather than “(TWDB 216)”.
