Mayor's Message

We've reached October and it's a month filled with events for your family to come by and take part of. But first we would like to welcome the new Interim City Manager, Mr. Leonardo Olivares to the City of La Joya. Mr. Olivares has nearly 30 years of experience in federal, state and local governments. With his professional experience, credentials and achievements in U.S. Congress, Texas Legislature, universities and municipalities we look forward to working with Mr. Olivares on all current and future projects for the betterment of the city.

As we go into the month of October please check out the flyers below for information on events, meetings and activities being held. If you have any questions please contact City Hall. God bless and stay safe.

Llegamos al mes de Octubre el cual esta lleno de eventos para su familia. Pero primero nos gustaria dar la bienvenida al nuevo Gerente Interino de la Ciudad, Leonardo Olivares a la ciudad de La Joya. El Sr. Olivares tiene casi 30 años de experiencia en gobiernos locales, estatales y federales. Con su experiencia profesional, credenciales y logros en el Congreso de los Estados Unidos, la Legislatura de Texas, universidades y municipios, esperamos trabajar con el Sr. Olivares en todos los proyectos actuales y futuros para el mejoramiento de la ciudad.

Para este mes de Octubre, incluyimos aqui la informacion sobre eventos, reuniones y actividades que se llevaran a cabo. Si tiene alguna pregunta, comuniquese con las oficinas de la Ciudad. Dios los bendiga y permanezca a salvo.

BREAST CANCER AWARENESS

Breast Cancer Awareness Month is an opportunity to increase attention and support for the early detection and treatment of breast cancer. You can do your part with monthly self-exams and regular screenings.

BE INFORMED ABOUT BREAST CANCER

- Breast cancer starts when cells in the breast begin to grow out of control.
- 1 in 8 women will develop breast cancer in her lifetime
- About 268,600 new cases of invasive breast cancer will be diagnosed in women this year
- Death rates from female breast cancer have dropped 40 percent since 1989
- Women should have annual mammograms at age 40
- With early detection and clean lymph nodes, the five year survival rate is almost 100 percent
