

**CITY OF LA JOYA  
REQUEST FOR STATEMENTS OF QUALIFICATIONS  
ENGINEERING SERVICES, BOND COUNSEL, FINANCIAL ADVISOR**

**Project No.: 14500  
Bid No.: 2023-300-525-04  
Bid No.: 2023-300-525-05  
Bid No.: 2023-300-525-06  
SOQ – Water Treatment Plant**

**General Addendum  
January 3, 2023**

**1. Respondent Request**

A respondent requested an answer of the following question:

Given the weather delays, and the fact that [Respondent] sent [its] proposal package on December 22 for delivery on December 23, would the City will accept an emailed copy pending the delayed FedEx delivery?

**2. City Interpretation**

The Finance Department makes the following interpretation:

- 1) The City is not obligated to respond to questions past the deadline. Notwithstanding this:
- 2) The City will not accept emails in response to the RFQs.
- 3) Given the extreme weather conditions affecting the United States, the City will accept Statements of Qualification (SOQs) that were postmarked or otherwise submitted to a courier service before the stated deadline of December 27, 2022.

**3. Distribution**

This addendum is: 1) e-mailed to all respondents receiving the original SOQ; 2) posted on the City's website ([www.cityoflajoya.com](http://www.cityoflajoya.com)); and 3) available at La Joya City Hall.
